

Pranav Telangade

As the Chairman of CSI-VIVA Tech, I see myself as a person who possesses good organizational and management skills. I am proficient at UI/UX and Graphic designing. I am passionate about photography. Being an engineering undergraduate, I am technically inclined and take great interest in exploring gadgets and motors. Considering interpersonal skills, I am an active listener and a team player.

Education

B.E. in Computer Engineering

Viva Institute of Technology 2019-2023

- CGPI: 8.00/10

Higher Secondary Education, Science

St. Peter's Junior College
(Mumbai University) 2017-2019

- HSC (State Board) percentage: 63.69%

Secondary Schooling

Holy Family Convent High School 2017

- SSC(State Board) percentage: 74.20%

Projects

- **Trace The Trail:**
Trace the trail is an innovative approach to track missing humans using Deep Learning. By feeding a single image into the model and obtaining the output, the model can be used to find and detect missing humans in real-time.
- **MedTechHealth:**
MedTechHealth is a first aid training app which provides articles on first aid and geo location incase of emergencies.
- **Budget Buddy:**
BudgetBuddy is a simple Income Tax Calculator for salaried employees. (Used PyCharm, team of 4 members.)
- **English Interpreter:**
A simple CLI interface for deaf and dumb.
